Vermilion, Alberta (*Open to relocate*)

PROFILE SUMMARY

I am a results-driven marketing and operations professional with 5+ years of experience across digital marketing, business development, and customer-facing operations. I equally have experience at building strong relationships, identifying market opportunities, and delivering tailored solutions that improve customer experience and drive measurable growth, as well as analytical and performance-focused, with strengths in SEO, web analytics, content strategy, social media, and cross-functional collaboration.
